SUNLIGHT 80V 625Ah Traction Battery (Complete)

Battery / Accu | SUNLIGHT | 0263499-SL

PzS tubular plate technology offers superior cycle life and charge efficiency for demanding industrial uptime. This 80V, 625Ah battery ensures your electric fleet sustains high-capacity power for longer, uninterrupted material handling.

Features

- With 625Ah capacity, this battery provides extended operational runtime, enabling your electric fleet to perform demanding tasks for longer periods without interruption.
- Specifically engineered for traction applications, this battery is designed for use in electric forklifts, industrial cleaning machines, and other heavy-duty material handling equipment.
- Featuring PzS tubular plate technology, this battery delivers superior cycle life and charge efficiency compared to standard flat plate designs, offering enhanced performance and longevity.
- The 'Complete' designation includes aqua+REMA320 connectors, ensuring easy and safe integration into existing systems and providing reliable power transfer.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
80 V	**625 Ah**	**1,476 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**23 mm**
Width	**849 mm**
Height	**627 mm**
Weight	**1,476 kg**

Electrical Specifications

Nominal Voltage	**80 V**
Rated Capacity (C20)	**625 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0263499-SL**
Manufacturer Code:	**5 PzS**
