EXIDE 80V 500Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0263895-EX

Extended operational runtimes and sustained power for intensive work cycles are delivered by the 500Ah capacity and 80V system voltage. This robust power solution is engineered for electric forklifts, industrial cleaning machines, and AGVs in demanding logistics and manufacturing environments.

Features

- Extended operational runtimes and sustained power for intensive work cycles, enabled by 500Ah capacity and 80V system voltage.
- Engineered for electric forklifts, industrial cleaning machines, and automated guided vehicles (AGVs) in logistics and manufacturing.
- Robust construction optimized for the rigors of industrial use, ensuring longevity and consistent performance.
- Integrated aqua+ and REMA320 connectors for convenient and secure power management, minimizing downtime.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
80 V	**500 Ah**	**1,218 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**25 mm**
Width	**708 mm**
Height	**627 mm**
Weight	**1,218 kg**

Electrical Specifications

Nominal Voltage	**80 V**
Rated Capacity (C20)	**500 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0263895-EX**
Manufacturer Code:	**4 EPzS**
