

SUNLIGHT 80V 930Ah Traction Battery

Battery / Accu | SUNLIGHT | 0264209-SL

In demanding industrial environments, sustained 930Ah capacity delivers extended operational runtimes for electric forklifts and AGVs, preventing frequent interruptions. This 80V system voltage and robust construction ensure high-demand power delivery for peak operational efficiency.

Features

- Sustained 930Ah capacity provides extended operational runtimes, enabling continuous material handling without frequent interruptions.
- Engineered for electric forklifts, AGVs, and industrial electric vehicles within warehousing, manufacturing, and logistics sectors.
- Robust construction and 80V system voltage deliver consistent, high-demand power for peak operational efficiency.
- Integrated aqua+REMA320 connectors ensure straightforward and secure integration into industrial fleet systems.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
80 V	930 Ah	2,184 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	80 V
Chemistry	Lead-Acid	Rated Capacity (C20)	930 Ah
Physical Specifications			
Length	25 mm		
Width	996 mm		
Height	784 mm		
Weight	2,184 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0264209-SL**
 Manufacturer Code: **6 PzS**
