

SUNLIGHT 24V 375Ah Traction Battery

Battery / Accu | SUNLIGHT | 0264212-SL

Engineered tubular PzS plate technology sustains 375Ah capacity at 24V, ensuring all-day power for demanding industrial equipment and continuous operation. This robust design integrates seamlessly into electric forklifts, pallet trucks, and AGVs in high-intensity logistics, warehousing, and manufacturing environments.

Features

- Sustained 375Ah capacity at 24V ensures all-day power for demanding industrial equipment, enabling continuous operation without frequent recharging.
- Engineered for electric forklifts, pallet trucks, and AGVs in high-intensity logistics, warehousing, and manufacturing environments.
- Tubular plate PzS technology offers superior deep cycle performance and extended lifespan compared to standard flat-plate designs.
- Integrated aqua+ watering system and REMA 160 connector facilitate simplified maintenance and secure, efficient power connectivity.
