

SUNLIGHT 24V 500Ah Traction Battery

Battery / Accu | SUNLIGHT | 0264219-SL

Substantial 500Ah capacity sustains extended operational uptime, overcoming the limitations of standard batteries for continuous material handling. This 24V system delivers consistent power output, optimized for demanding industrial vehicle applications and extended operational cycles.

Features

- Extended operational uptime provided by a substantial 500Ah capacity, enabling continuous material handling without frequent recharging.
- Engineered for intensive use in industrial settings, including logistics, manufacturing, and warehousing, ensuring reliable power for electric forklifts and similar equipment.
- Delivers consistent and efficient 24V power output, optimized for demanding industrial vehicle applications and extended operational cycles.
- Features the aqua+REMA320 system for simplified and safer connection and maintenance, enhancing overall operational efficiency.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	500 Ah	374 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	24 V
Chemistry	Lead-Acid	Rated Capacity (C20)	500 Ah
Physical Specifications			
Length	621 mm		
Width	353 mm		
Height	627 mm		
Weight	374 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0264219-SL**
 Manufacturer Code: **4 PzS**
