

SUNLIGHT 24V 300Ah Traction Battery

Battery / Accu | SUNLIGHT | 0265127-SL

Multi-shift traction cycles demand a battery that sustains discharge depth without capacity loss — PzB cell technology delivers proven deep cycling performance for sustained power delivery under heavy loads. This 300Ah unit integrates with industrial and logistics equipment for extended operational periods.

Features

- Extended operational periods with 300Ah capacity, ensuring your equipment stays powered through demanding shifts.
- Engineered for material handling equipment in industrial and logistics environments, guaranteeing reliable performance.
- PzB cell technology delivers proven deep cycling performance for sustained power delivery under heavy loads.
- Integrated aqua+ system and REMA 160 connector for simplified maintenance and secure, efficient power transfer.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	300 Ah	248 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	24 V
Chemistry	Lead-Acid	Rated Capacity (C20)	300 Ah
Physical Specifications			
Length	645 mm		
Width	245 mm		
Height	570 mm		
Weight	248 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0265127-SL**
