SUNLIGHT 24V 200Ah Traction Battery (Complete)

Battery / Accu | SUNLIGHT | 0266096-SL

In industrial warehouse operations where continuous equipment uptime is paramount, 2 PzB cell technology ensures sustained 200Ah capacity and 24V output for long-lasting power. This complete traction battery configuration maximizes return on investment through its superior durability and extended operational lifespan.

Features

- Sustained 200Ah capacity and 24V output ensure reliable, long-lasting power for continuous operation of heavy-duty equipment.
- Specifically engineered for the rigors of material handling operations in industrial warehouses and distribution centers.
- Utilizes 2 PzB cell technology for superior durability and extended operational lifespan, maximizing return on investment.
- Features integrated aqua+ system and REMA 80 connector for enhanced safety, simplified maintenance, and secure power connections.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	**200 Ah**	**179 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**660 mm**
Width	**145 mm**
Height	**682 mm**
Weight	**179 kg**

Electrical Specifications

Nominal Voltage	**24 V**
Rated Capacity (C20)	**200 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0266096-SL**
