

EXIDE 24V 2 EPzS 180Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0267782-EX

The integrated aqua+ system simplifies maintenance and enhances safety, reducing operational downtime and extending service life. This complete 24V 180Ah traction battery system ensures reliable power delivery for demanding industrial electric vehicles.

Features

- Sustained 180Ah capacity ensures extended operational cycles for uninterrupted material handling, reducing the frequency of costly downtime.
- Specifically engineered for industrial electric vehicles such as forklifts and AGVs, providing reliable power in demanding warehouse and logistics environments.
- Features the integrated aqua+ system for simplified maintenance and enhanced safety, offering a more user-friendly and secure operational experience.
- Designed for high-cycle life applications, delivering consistent performance over thousands of charge and discharge cycles, maximizing the total cost of ownership.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	180 Ah	173 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery (Complete)	Nominal Voltage	24 V
Chemistry	Lead-Acid	Rated Capacity (C20)	180 Ah
Physical Specifications			
Length	610 mm		
Width	200 mm		
Height	520 mm		
Weight	173 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0267782-EX**
 Manufacturer Code: **2 EPzS**
