

SUNLIGHT 2V 225Ah Traction Cell

Battery / Accu | SUNLIGHT | 0323754-SL

2V PzB 225Ah cell technology offers superior cycle life and deep discharge capability, sustaining 225Ah capacity for extended operational cycles in material handling. This deep-discharge resilience is engineered for the demanding requirements of electric forklifts and industrial vehicles.

Features

- Sustained 225Ah capacity ensures extended operational cycles for uninterrupted material handling.
- Specifically engineered for the demanding deep-discharge requirements of electric forklifts and industrial vehicles.
- PzB cell technology offers superior cycle life and deep discharge capability compared to standard designs.
- Robust construction provides resilience against vibration and shock in demanding industrial environments.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	225 Ah	14,2 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Cell	Nominal Voltage	2 V
Chemistry	Lead-Acid	Rated Capacity (C20)	225 Ah
Physical Specifications			
Length	61 mm		
Width	158 mm		
Height	514 mm		
Weight	14,2 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0323754-SL**
 Manufacturer Code: **1122030225**
