

# SUNLIGHT 2V 300Ah Traction Battery

Battery / Accu | SUNLIGHT | 0323772-SL

Industrial material handling requires consistent power delivery from electric forklifts during extended work cycles. PzB tubular plate technology provides enhanced deep cycling performance, delivering 300Ah of sustained energy. This ensures operational continuity for your fleet's demanding daily tasks.

### Features

- Delivering 300Ah of reliable power, this battery ensures your electric forklifts operate at peak performance throughout extended work cycles, minimizing interruptions.
- Specifically engineered for electric forklift applications in industrial settings, ensuring consistent power delivery for material handling equipment.
- Features PzB tubular plate technology for enhanced deep cycling performance and extended operational lifespan, outperforming standard flat plate batteries.
- Designed for demanding industrial environments, offering robust construction to withstand vibration and continuous use, ensuring operational continuity.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
<b>2 V</b>	<b>300 Ah</b>	<b>16,8 kg</b>

## Technical Specifications

General Information		Electrical Specifications	
Technology	<b>Traction Battery</b>	Nominal Voltage	<b>2 V</b>
Chemistry	<b>Lead-Acid</b>	Rated Capacity (C20)	<b>300 Ah</b>
Physical Specifications			
Length	<b>61 mm</b>		
Width	<b>158 mm</b>		
Height	<b>608 mm</b>		
Weight	<b>16,8 kg</b>		

### Regulatory Compliance

**CE** Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3  
 Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **0323772-SL**  
 Manufacturer Code: **1122030300**
