

# TROJAN AGM 12V 89Ah Industrial Battery

Battery / Accu | TROJAN | 27-AES

Extended operational uptime for critical industrial equipment is sustained by a consistent 89Ah capacity that handles demanding applications. Engineered for material handling and backup power, AGM technology provides maintenance-free operation and superior vibration resistance.

### Features

- Sustained 89Ah capacity ensures extended operational uptime for critical industrial equipment.
- Engineered for demanding industry applications, including material handling and backup power systems.
- AGM (Absorbent Glass Mat) technology provides maintenance-free operation and superior vibration resistance.
- Sealed, spill-proof design offers enhanced safety and placement flexibility in sensitive industrial environments.
