POWERBOOZT 12V 110Ah Traction Battery

Battery / Accu | POWERBOOZT | 3pzs85

Without tubular plate technology, deep-cycle performance degrades rapidly under heavy loads, leading to premature replacement. This POWERBOOZT battery sustains 110Ah capacity through enhanced durability for extended operational periods in demanding applications.

Features

- Consistent power delivery across 110Ah capacity ensures extended operational periods for heavy-duty machinery.
- Optimized for demanding use in agricultural, cleaning machine, and marine applications.
- Tubular plate technology provides enhanced durability and deep-cycle performance for industrial power needs.
- Designed for lead-acid chemistry compatibility and integration into standard chassis with dimensions of 308x174x225mm.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
12 V	**110 Ah**	**25 kg**

Technical Specifications

General Information

Technology	**Traction Battery**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**308 mm**
Width	**174 mm**
Height	**225 mm**
Weight	**25 kg**

Electrical Specifications

Nominal Voltage	**12 V**
Rated Capacity (C20)	**110 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**3pzs85**
Manufacturer Code:	**3pzs85**
