

# POWERBOOZT 12V 110Ah Traction Battery

Battery / Accu | POWERBOOZT | 3pzs85

Without tubular plate technology, deep-cycle performance degrades rapidly under heavy loads, leading to premature replacement. This POWERBOOZT battery sustains 110Ah capacity through enhanced durability for extended operational periods in demanding applications.

### Features

- Consistent power delivery across 110Ah capacity ensures extended operational periods for heavy-duty machinery.
- Optimized for demanding use in agricultural, cleaning machine, and marine applications.
- Tubular plate technology provides enhanced durability and deep-cycle performance for industrial power needs.
- Designed for lead-acid chemistry compatibility and integration into standard chassis with dimensions of 308x174x225mm.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
<b>12 V</b>	<b>110 Ah</b>	<b>25 kg</b>

## Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	12 V
Chemistry	Lead-Acid	Rated Capacity (C20)	110 Ah
Physical Specifications			
Length	308 mm		
Width	174 mm		
Height	225 mm		
Weight	25 kg		

### Regulatory Compliance

**CE** Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3  
 Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **3pzs85**  
 Manufacturer Code: **3pzs85**
