

# POWERBOOZT 12V 158Ah Traction Battery

Battery / Accu | POWERBOOZT | 4PZS118

Industrial multi-shift operation demands batteries that sustain deep discharge without capacity degradation. POWERBOOZT's tubular plate technology delivers enhanced cycle life and superior deep discharge performance, ensuring extended operational periods for your fleet.

### Features

- Sustained 158Ah capacity ensures extended operational periods for your fleet, minimizing costly interruptions.
- Engineered for demanding industrial environments including Agri, Cleaning Machines, and Marine applications.
- Utilizes tubular plate technology for enhanced cycle life and superior deep discharge performance.
- Designed for robust operation in challenging conditions, ensuring reliability for critical mobile equipment.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
<b>12 V</b>	<b>158 Ah</b>	<b>40 kg</b>

## Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	12 V
Chemistry	Lead-Acid	Rated Capacity (C20)	158 Ah
Physical Specifications			
Length	345 mm		
Width	170 mm		
Height	283 mm		
Weight	40 kg		

### Regulatory Compliance

**CE** Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3  
 Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **4PZS118**  
 Manufacturer Code: **4 PzS 118**
