

LEOCH -BIKE 12V 32Ah Starter Battery

Battery / Accu | LEOCH | 532.11.Rocket

250A CCA ensures reliable, rapid ignition even in challenging weather, preventing no-start situations during critical operations. Specifically engineered for the powersports sector, this battery withstands rigorous demands and vibrations for consistent electrical system performance.

Features

- Reliable starting power with 250A CCA ensures your motorcycle ignites quickly and consistently, even in challenging weather conditions.
- Specifically engineered for the powersports sector, this battery is built to withstand the rigorous demands and vibrations of motorcycle use.
- Advanced lead-acid technology provides a dependable and robust energy source for your motorcycle's ignition and electrical systems.
- Designed for straightforward fitment with standard terminal configuration (term 17) for broad compatibility across motorcycle models.
