OPTIMA Blue Top AGM 12V 75Ah Deep Cycle Battery

Battery / Accu | OPTIMA | BTDC-5.5

975 CCA high-cranking power ensures reliable engine starting even in demanding conditions. Its vibration-resistant, spill-proof AGM design integrates safely into marine vessels for sustained deep-cycle power to all onboard electronics.

Features

- With 975 CCA, it provides robust starting power, ensuring your marine engine fires up reliably even in demanding conditions.
- Specifically engineered for the marine environment, offering exceptional vibration resistance and a spill-proof design for safe and versatile installation on any vessel.
- Utilizing advanced AGM technology, this battery delivers maintenance-free performance and deep cycle capabilities for sustained power to all onboard electronics.
- The sealed, spill-proof construction ensures safety and allows for flexible mounting options, protecting your vessel and equipment.
