

TBB-POWER 12V Inverter-Charger

Inverter / Omvormer | TBB-POWER | CF0825L

Prevent power loss in mobile systems with integrated 25A charging and 800VA inversion. This unit provides AC power for essentials and rapid battery replenishment, ensuring continuous operation for marine, caravan, and camper use.

Features

- Delivers reliable AC power for essential appliances and rapid 25A battery charging, ensuring your mobile systems stay operational.
- Engineered specifically for the robust demands of marine, caravan, and camper environments.
- Combines inverter and charger functions in a single unit, optimizing space and simplifying onboard electrical systems.
- 12V system compatibility ensures widespread application across recreational vehicles and watercraft.
