

# CTEK 24V 40A Smart Charger

Battery Charger / Acculader | CTEK | COLMULTIMXTS40

This 40A charger rapidly restores battery power, minimizing downtime for commercial vehicles and leisure craft. Its advanced smart charging technology adapts to battery conditions, optimizing cycles for extended battery life.

### Features

- Delivering a substantial 40A charging current, this charger rapidly restores battery power, minimizing operational downtime for commercial vehicles and leisure craft.
- Engineered for diverse operational environments, including automotive, caravan, camper, marine, and motor applications, ensuring reliable power across a wide range of vehicles.
- Utilizes advanced smart charging technology to adapt to battery conditions, optimizing charge cycles for extended battery life and preventing damage.
- Built for resilience with a substantial 3.64kg weight, indicating robust construction suitable for professional environments and demanding use cases.
