

POWERBOOZT 6V 240Ah Traction Battery

Battery / Accu | POWERBOOZT | D6PzS195

Advanced tubular plate technology ensures superior deep-cycle performance and longevity by enhancing charge acceptance and discharge efficiency. This 6V, 240Ah traction battery provides extended operational uptime for material handling equipment, maximizing productivity.

Features

- The 240Ah capacity ensures extended operational uptime for your material handling equipment, reducing the frequency of charging cycles and maximizing productivity.
- Specifically engineered for forklift applications, this battery is built to withstand the rigorous demands of industrial material handling environments.
- Featuring advanced tubular plate technology, it delivers enhanced charge acceptance and discharge efficiency for superior deep-cycle performance and longevity.
- Designed for compatibility with standard forklift electrical systems, ensuring seamless integration and reliable power delivery.

NOMINAL VOLTAGE

6 V

RATED CAPACITY (C20)

250 Ah

WEIGHT

30,3 kg

Technical Specifications

General Information

Technology	Traction Battery
Chemistry	Lead-Acid

Physical Specifications

Length	243 mm
Width	189 mm
Height	277 mm
Weight	30,3 kg

Electrical Specifications

Nominal Voltage	6 V
Rated Capacity (C20)	250 Ah

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
Regulatory: CE | Bebat | ADR

Product Identification

Item Code: D6PzS195
Manufacturer Code: D6PzS195
