

## EXIDE 12V 45Ah Starter Battery

Battery / Accu | EXIDE | EA456

Delivering 390A cold-cranking power ensures immediate, reliable engine starts, even in tough weather, minimizing downtime. Engineered for passenger cars and light commercial vehicles, this battery provides dependable starting power essential for daily transportation and business.

### Features

- Delivers 390A cold-cranking power for immediate and reliable engine starts, even in challenging weather conditions, minimizing downtime and ensuring operational readiness.
- Engineered for passenger cars and light commercial vehicles, providing dependable starting power essential for daily transportation and business operations.
- Utilizes advanced battery technology to ensure consistent power delivery and long-term reliability, reducing the need for premature replacements.
- Designed for straightforward installation with standard 12V compatibility and a compact form factor, ensuring broad vehicle fitment and ease of service.

| NOMINAL VOLTAGE | RATED CAPACITY (C20) | COLD CRANKING AMPS (EN) | WEIGHT  | HOLD-DOWN TYPE |
|-----------------|----------------------|-------------------------|---------|----------------|
| 12 V            | 45 Ah                | 390 A                   | 11,8 kg | B01            |

### Technical Specifications

| General Information     |                 | Electrical Specifications |       |
|-------------------------|-----------------|---------------------------|-------|
| Technology              | Starter Battery | Nominal Voltage           | 12 V  |
| Chemistry               | Lead-Acid       | Rated Capacity (C20)      | 45 Ah |
| Physical Specifications |                 | Cold Cranking Amps (EN)   | 390 A |
| Length                  | 237 mm          | Layout                    |       |
| Width                   | 136 mm          | Terminal Position         | +R    |
| Height                  | 227 mm          | Hold-Down Type            | B01   |
| Weight                  | 11,8 kg         |                           |       |

### Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3  
Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: EA456
