

EXIDE 145Ah Starter Battery

Battery / Accu | EXIDE | EG145A

Dependable engine starts across all conditions are achieved through 145Ah capacity and high cranking power. This starter battery integrates robust construction for sustained performance in heavy-duty commercial, agricultural, and construction equipment.

Features

- Delivers 145Ah capacity and high cranking power for dependable engine starts in all conditions.
- Engineered for heavy-duty commercial vehicles, agricultural machinery, and construction equipment.
- Robust construction ensures durability and sustained performance for demanding operational environments.
- Designed for reliable ignition power, minimizing downtime and maximizing operational uptime.
