

# EXIDE 12V 60Ah Start-Stop Battery

Battery / Accu | EXIDE | EL600

EFB technology offers superior cycle life and charge acceptance for frequent start-stop. This ensures reliable vehicle starts and reduced downtime, engineered for demanding commercial fleet needs.

### Features

- Enhanced Flooded Battery (EFB) technology provides superior cycle life and charge acceptance for frequent start-stop operations, ensuring your vehicles start reliably every time and reduce downtime.
- Engineered for the demanding requirements of start-stop vehicles, this battery is ideal for commercial fleets, delivery vans, and taxi services where consistent performance is critical.
- High charge acceptance and EFB technology allow for rapid recharging from regenerative braking systems, optimizing energy efficiency and extending battery lifespan.
- Built with robust internal components to withstand vibration and frequent deep discharge cycles common in start-stop applications, ensuring long-term reliability.
