

# EXIDE 12V 120Ah Starter Battery

Battery / Accu | EXIDE | ER600

Advanced hybrid technology offers a superior balance of high starting power and resilience for deeper discharge cycles, enhancing versatility beyond standard starter batteries. This 12V 120Ah battery delivers 800A charging current for rapid replenishment, ensuring heavy-duty equipment remains operational.

### Features

- Delivers 800A charging current for rapid replenishment, ensuring your heavy-duty equipment is always ready for operation and minimizing costly downtime.
- Engineered for the rigorous demands of commercial vehicles, agricultural machinery, and construction equipment, guaranteeing reliable starting power in diverse operational environments.
- Features advanced hybrid technology, offering a superior balance of high starting power and resilience for deeper discharge cycles, enhancing versatility beyond standard starter batteries.
- Built with robust materials and a heavy-duty design to withstand significant vibration and impact, ensuring long-term reliability and protection in the most challenging work environments.
