FULLRIVER FT450 AGM 12V 30Ah Starter Battery

Battery / Accu | FULLRIVER | FT450

450 CCA cold-cranking amps ensure immediate engine starts even in sub-zero temperatures, preventing operational delays. This AGM technology battery provides high-discharge capability and vibration resistance for demanding automotive and marine applications.

Features

- With 450 CCA, the FULLRIVER FT450 ensures your engine starts reliably, even in challenging cold-weather conditions, getting you on the water or the road without delay.
- Designed for the rigors of marine and automotive use, this battery provides dependable starting power for boats, personal watercraft, and a variety of vehicles.
- Utilizing advanced AGM technology, the FT450 offers enhanced vibration resistance and a maintenance-free sealed design for superior durability and safety.
- The robust construction and sealed casing protect against leaks and spills, ensuring safe integration into both marine and automotive electrical systems.
