

SONNENSCHN GEL 12V 80Ah Deep Cycle Battery

Battery / Accu | SONNENSCHN | GF12.072Y

Demanding deep cycle applications require batteries with sustained operational continuity for mobility equipment. Advanced DC-GEL technology provides superior deep discharge tolerance and maintenance-free operation, extending service life and reducing recharging frequency for mobile machinery.

Features

- With 80Ah capacity, this battery provides extended operational time for demanding deep cycle applications, reducing the frequency of recharging.
- Specifically designed for powered wheelchairs, industrial cleaning machines, and other heavy-duty mobile equipment, ensuring consistent performance where it's needed most.
- Utilizes advanced DC-GEL technology, offering superior deep discharge tolerance and maintenance-free operation compared to conventional batteries.
- Robust construction and GEL electrolyte provide excellent vibration resistance, ensuring reliable performance and extended lifespan even in harsh industrial environments.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT	HOLD-DOWN TYPE
12 V	80 Ah	30 kg	B00

Technical Specifications

General Information		Electrical Specifications	
Technology	Deep Cycle Battery	Nominal Voltage	12 V
Chemistry	Lead-Acid	Rated Capacity (C20)	80 Ah
Physical Specifications		Layout	
Length	330 mm	Terminal Type	AUTOMOTIVE
Width	171 mm	Terminal Position	+L
Height	235 mm	Hold-Down Type	B00
Weight	30 kg		
Case Type	GR31		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **GF12.072Y**
 Manufacturer Code: **GF12.072Y**
