

LIFELINE AGM 6V 400Ah Deep Cycle Battery

Battery / Accu | LIFELINE | GPL-L16

For demanding industrial uses, this 400Ah deep-cycle battery ensures operational continuity, powering cleaning machines and forklifts for extended periods. Its maintenance-free AGM technology offers vibration resistance for enhanced reliability during continuous operation.

Features

- With a 400Ah capacity, this battery provides extended operational runtimes, ensuring your cleaning machines and forklifts remain powered for longer periods, maximizing productivity.
- Specifically designed for demanding applications like industrial cleaning machines and electric forklift trucks, offering reliable power for continuous operation.
- AGM (Absorbed Glass Mat) technology delivers a maintenance-free and vibration-resistant power source, enhancing reliability and reducing service requirements.
- Built to withstand deep discharge cycles, this battery offers robust protection against the stresses of heavy-duty usage, ensuring consistent performance over its lifespan.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT	TERMINAL TYPE
6 V	400 Ah	54 kg	M8

Technical Specifications

General Information		Electrical Specifications	
Technology	Deep Cycle Battery	Nominal Voltage	6 V
Physical Specifications		Rated Capacity (C20)	400 Ah
Length	295,7 mm	Layout	
Width	175 mm	Terminal Type	M8
Height	395 mm		
Weight	54 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **GPL-L16**
 Model: **GPL-L16T**
