

GYS PBT700 24V Battery Analyzer

Battery Tester / Accutester | GYS | GYS024229

Accurate testing of 12V and 24V batteries, including advanced START/STOP systems, ensures precise diagnosis of vehicle starting and auxiliary power sources. Engineered for automotive workshops and fleet management, its integrated printer provides immediate, professional test reports for service documentation.

Features

- Accurate testing of 12V and 24V batteries, including advanced START/STOP systems, ensures precise diagnosis of vehicle starting and auxiliary power sources.
- Engineered for automotive workshops, fleet management, and battery specialists requiring reliable diagnostic tools for diverse vehicle electrical systems.
- Integrated printer provides immediate, professional test reports for service documentation and transparent customer communication.
- Supports comprehensive battery health and performance analysis, identifying potential failures before they impact vehicle operation.

Technical Specifications

Test Capabilities		Battery Type Support	
Battery Testing	? Yes	Flooded Lead-Acid	? Yes
Voltage Support		AGM	? Yes
12V Support	? Yes	GEL	? Yes
		EFB	? Yes

Regulatory Compliance

Standards: EN 61010-1, EN 61326-1
Regulatory: CE

Product Identification

Item Code: GYS024229
Manufacturer Code: GYSPBT700
Model: GYS024229
