

GYS 028920 Professional Booster Pack

Jump Starter / Booster | GYS | GYS028920

Delivers high-cranking amperage, rapidly restoring vehicle operation with advanced protection against reverse polarity and short circuits. This professional booster pack integrates seamlessly into demanding fleet and workshop environments to minimise downtime.

Features

- Provides reliable and powerful jump-starting to quickly restore vehicle operation and minimize downtime.
- Engineered for professional workshops, heavy-duty fleets, and demanding on-site service environments.
- Features advanced safety protections against reverse polarity and short circuits for user and equipment safety.
- Robust construction ensures durability and long-term performance in rigorous professional conditions.

PEAK CURRENT

6.200 A

WEIGHT

45,5 kg

Technical Specifications

Battery

Battery Type **lead-acid**

Voltage Support

12V Support **? Yes**

24V Support **? Yes**

Starting Power

Peak Current **6.200 A**

Cranking Amps **2.400 A**

Physical Specifications

Length **560 mm**

Width **350 mm**

Height **150 mm**

Weight **45,5 kg**

Regulatory Compliance

Standards: EN 62133, UN 38.3, IEC 62281

Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **GYS028920**

Model: **STARTPACK PRO 12.24 CI**
