

VARTA Promotive SLI 12V 100Ah Starter Battery

Battery / Accu | VARTA | H4

600A cold-cranking power reliably initiates engine starts, preventing operational downtime in challenging climates. Engineered for heavy-duty trucks and machinery, this lead-acid battery guarantees sustained performance and extended service life under intense usage.

Features

- Delivers reliable engine starting with 600A cold-cranking power, ensuring your heavy-duty vehicles begin operations swiftly even in adverse conditions.
- Specifically engineered for the demanding operational environments of trucks, buses, and heavy machinery, guaranteeing consistent performance and durability.
- Utilizes advanced lead-acid technology optimized for heavy-duty applications, providing sustained power output and extended operational life under intense usage.
- Built with enhanced vibration resistance and robust construction to withstand the harsh conditions typical of commercial vehicle operation.
