

VARTA Promotive SLI 12V 110Ah Starter Battery

Battery / Accu | VARTA | I2

Delivering 760A of Cold Cranking Amps, this battery ensures reliable engine starts even in severe cold, maintaining operational continuity for heavy-duty fleets. Its robust lead-acid technology is optimised for deep cycling and high discharge rates, providing resilience against the stresses of demanding commercial use.

Features

- Delivers 760A of Cold Cranking Amps (CCA) to ensure reliable engine starts even in severe cold weather, keeping your heavy-duty vehicles operational year-round.
- Engineered for the demanding environments of trucks, buses, agricultural machinery, and construction equipment, ensuring uninterrupted fleet operations.
- Utilizes robust lead-acid technology optimized for deep cycling and high discharge rates, providing resilience against the stresses of heavy-duty use and frequent starts.
- Features a durable construction designed to withstand vibrations and extreme operating conditions, offering long-term reliability and protection for your investment.
