

# VARTA Promotive SLI 12V 145Ah Starter Battery

Battery / Accu | VARTA | K7

800A cold-cranking power ensures reliable engine ignition for demanding heavy-duty vehicles in all conditions. Engineered for long-haul trucking, agricultural, and construction equipment, this lead-acid battery provides robust performance for commercial operations.

### Features

- delivers exceptional starting power with 800A cold-cranking capability, ensuring reliable engine ignition for demanding heavy-duty vehicles under all conditions.
- Specifically engineered for heavy-duty applications, including long-haul trucking, agricultural, and construction equipment, providing the robust performance required for commercial operations.
- Utilizes advanced lead-acid technology optimized for high energy delivery and sustained performance, offering a dependable power source for critical commercial applications.
- Built to withstand extreme operational conditions and vibrations, ensuring consistent reliability and a long service life for your fleet.
