

VARTA Professional AGM 12V 70Ah Semi-Traction Battery

Battery / Accu | VARTA | LA70

The VARTA Professional AGM Dual Purpose 12V 70Ah battery offers robust performance for both starting and deep cycling applications. Ideal for demanding recreational and commercial use.

Features

- Delivers 760A cold-cranking power for reliable engine starts and sustained deep-cycle performance to power all your onboard equipment.
- Specifically engineered for marine vessels and recreational vehicles, providing a versatile power source for both starting and auxiliary systems.
- Utilizes advanced AGM technology for a maintenance-free operation, superior vibration resistance, and faster recharging capabilities compared to conventional batteries.
- Designed with robust casing and spill-proof construction, offering enhanced safety and reliability in mobile and marine environments.
