

LEOCH -BIKE 12V 3Ah Starter Battery

Battery / Accu | LEOCH | LB3L-A

35A CCA ensures reliable engine starting across temperatures, providing confidence in ignition performance. Engineered for motorcycle applications, this lead-acid battery delivers dependable energy storage for essential electrical functions.

Features

- Ensures reliable engine starting with 35A CCA, providing confidence in ignition performance across various temperatures.
- Engineered for motorcycle applications, offering a compact and lightweight power solution for two-wheeled vehicles.
- Utilizes proven lead-acid technology, delivering dependable energy storage and consistent output for essential electrical functions.
- Designed with standard terminal configuration for straightforward integration and compatibility with most motorcycle electrical systems.
