

# LEOCH LDC AGM 12V 183Ah Deep Cycle Battery

Battery / Accu | LEOCH | LDC12-180

Critical systems risk shutdown without extended power. This 183Ah battery sustains essential functions for longer off-grid durations, featuring advanced AGM technology for maintenance-free, vibration-resistant camper, caravan, and marine use.

### Features

- Experience extended power autonomy with 183Ah capacity, ensuring your onboard systems remain operational for longer periods during your adventures.
- Designed for the unique challenges of camper, caravan, and marine use, providing reliable power where grid access is unavailable.
- Benefit from maintenance-free operation and enhanced safety thanks to advanced AGM technology, which also offers superior vibration resistance.
- Secure M8 terminal connections ensure a robust and reliable electrical link for critical power delivery.
