

LEOCH LDCL AGM 12V 118Ah Deep Cycle Battery

Battery / Accu | LEOCH | LDCL12-115-G31-T

A 118Ah battery ensures essential onboard systems run continuously, avoiding frequent recharging. This LEOCH battery offers extended power for RVs and marine use, guaranteeing operational continuity with advanced, maintenance-free AGM technology.

Features

- With 118Ah capacity, this battery provides extended power for your essential devices, minimizing the need for frequent recharging and ensuring continuous operation during extended trips or demanding marine use.
- Specifically designed for camper, caravan, and marine applications, this battery offers a dependable power source for recreational vehicles and boats, supporting a wide range of onboard systems.
- Featuring advanced AGM technology, the battery provides maintenance-free operation and superior vibration resistance, ensuring reliable performance and longevity in mobile and marine environments.
