

VARTA Professional EFB 12V 140Ah Start-Stop Battery

Battery / Accu | VARTA | LED140

Power your commercial fleet with the VARTA Professional EFB 12V 140Ah battery. Engineered for demanding Start-Stop applications, delivering unmatched reliability and sustained performance.

Features

- Experience reliable engine starting and uninterrupted power for advanced vehicle systems with 800A cold-cranking power, ensuring your vehicle starts effortlessly even in demanding conditions.
- Engineered for the specific needs of vehicles equipped with start-stop technology and regenerative braking, providing the resilience required for frequent engine restarts.
- Benefit from Enhanced Flooded Battery (EFB) technology, offering superior cycling performance and durability compared to standard batteries, ensuring a longer service life.
- Designed for seamless integration into modern vehicles, this battery supports the higher electrical demands of onboard electronics, from infotainment to driver assistance systems.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	COLD CRANKING AMPS (EN)	WEIGHT
12 V	140 Ah	800 A	37,09 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Start-Stop Battery	Nominal Voltage	12 V
Chemistry	Lead-Acid	Rated Capacity (C20)	140 Ah
Physical Specifications		Cold Cranking Amps (EN)	800 A
Length	513 mm		
Width	189 mm		
Height	223 mm		
Weight	37,09 kg		
Case Type	A EFB		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **LED140**
 Model: **Professional EFB**
