

# LEMANIA Jumpstarter Portable 12V 2000A Lithium Jump Starter

Jump Starter / Booster | LEMANIA | LEM-H95

Sustained 2000A peak current delivery ensures reliable engine ignition even in extreme cold, with advanced Lithium technology providing a high power-to-weight ratio for rapid charging. Its versatile design integrates seamlessly into Automotive, Marine, and Camper systems for on-the-go power assurance.

### Features

- Delivers a powerful 2000A peak current, ensuring your vehicle starts reliably even in challenging cold-weather conditions.
- Engineered for the diverse needs of Automotive, Marine, and Camper applications, providing versatile power solutions on the go.
- Utilizes advanced Lithium battery technology for a high power-to-weight ratio and rapid, efficient charging.
- Features built-in protection against reverse polarity and sparks, offering safe and secure operation for both the user and the vehicle's electrical system.

PEAK CURRENT

**2.000 A**

WEIGHT

**2,8 kg**

## Technical Specifications

### Starting Power

Peak Current **2.000 A**

### Voltage Support

12V Support **? Yes**

### Physical Specifications

Weight **2,8 kg**

### Regulatory Compliance

Standards: EN 62133, UN 38.3, IEC 62281  
Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **LEM-H95**  
Manufacturer Code: **LEM-H95**  
Model: **Jumpstarter Portable**
