LEOCH LP AGM 12V 5Ah Deep Cycle Battery

Battery / Accu | LEOCH | LP12-5.0

Industrial UPS require uninterrupted power for critical systems. Advanced AGM technology offers maintenance-free, vibration-resistant backup, ensuring sustained system uptime during power interruptions.

Features

- Delivering 5Ah of capacity, this battery provides extended runtime for your essential equipment, ensuring uninterrupted operation during power interruptions.
- Specifically engineered for UPS applications, this battery offers reliable backup power to safeguard critical systems and data from power outages.
- Featuring advanced AGM technology, this battery provides maintenance-free operation and superior vibration resistance for enhanced durability and safety.
- Designed for easy integration, its standard terminal configuration ensures straightforward connection to your existing UPS or power system.
