

LEOCH LP AGM 12V 7Ah Deep Cycle Battery

Battery / Accu | LEOCH | LP12-7.0

Advanced AGM technology offers enhanced vibration resistance and maintenance-free operation, preventing failures in demanding UPS applications. This 7Ah battery guarantees stable backup power for critical IT infrastructure and emergency services.

Features

- With 7Ah capacity, this battery ensures your critical systems remain powered through extended outages, providing essential uptime for uninterrupted business operations.
- Specifically engineered for UPS systems, this battery guarantees stable and reliable backup power for IT infrastructure, telecommunications, and emergency services.
- Utilizing advanced AGM technology, the battery offers enhanced vibration resistance and maintenance-free operation, reducing service needs and increasing operational reliability.
- Designed for seamless integration, its compact footprint and standard terminal layout ensure easy installation within existing UPS units and power backup solutions.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT	HOLD-DOWN TYPE
12 V	7 Ah	1,8 kg	B00

Technical Specifications

General Information		Electrical Specifications	
Technology	Stationary Battery	Nominal Voltage	12 V
Chemistry	Lead-Acid	Rated Capacity (C20)	7 Ah
Physical Specifications		Layout	
Length	151 mm	Terminal Type	T2
Width	65 mm	Terminal Position	+L
Height	98 mm	Hold-Down Type	B00
Weight	1,8 kg		
Case Type	N.B.		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **LP12-7.0**
 Manufacturer Code: **LP12-7.0**
 Model: **LP**
