LEOCH 12V 9Ah Stationary Battery

Battery / Accu | LEOCH | LP12-9.0

12V 9Ah capacity ensures operational continuity during power interruptions, safeguarding critical systems from outages. Its T1 terminal configuration integrates seamlessly into stationary power architectures including UPS and alarm panels.

Features

- Ensures uninterrupted operation of critical systems with 9Ah of reliable 12V power, safeguarding your operations during outages.
- Engineered for seamless integration into stationary power setups, including UPS, alarm panels, and emergency lighting.
- Built with durable construction to provide consistent and dependable power delivery for long-term stationary applications.
- Features a T1 terminal type for straightforward and secure connection in a wide range of equipment.
