

LEOCH LP AGM 6V 6Ah Deep Cycle Battery

Battery / Accu | LEOCH | LP6-6.0

Advanced AGM technology offers maintenance-free, vibration-resistant operation for sustained UPS functionality in fixed/mobile DC systems where re-installation is impractical. This 6V 6Ah battery provides essential backup power for critical IT, ensuring operational continuity during outages.

Features

- Delivers reliable 6Ah capacity and 6V output for sustained UPS operation, ensuring your critical systems remain powered during outages.
- Specifically engineered for Uninterruptible Power Supply (UPS) systems, providing essential backup power for IT equipment and critical infrastructure.
- Features advanced AGM technology, offering maintenance-free operation and enhanced vibration resistance for long-term reliability.
- Compact dimensions of 70x47x106mm and a lightweight design of 0.9kg ensure easy installation and integration into diverse UPS units.
