

LEOCH LPC AGM 12V 59Ah Deep Cycle Battery

Battery / Accu | LEOCH | LPC12-55

Extended operational time for electric wheelchairs is delivered by its 59Ah capacity, ensuring users maintain mobility throughout their day. Advanced AGM technology provides a completely maintenance-free experience with superior vibration resistance and spill-proof safety.

Features

- Delivers extended operational time for electric wheelchairs thanks to its 59Ah capacity, ensuring users maintain mobility throughout their day.
- Specifically engineered for electric wheelchairs, providing the reliable deep-cycle power needed for consistent performance and user independence.
- Features advanced AGM technology for a completely maintenance-free experience, offering superior vibration resistance and spill-proof safety for reliable onboard power.
- Designed for secure integration into mobility devices, its robust construction and specified dimensions ensure a dependable fit and long-term service.
