

LEOCH LPCG GEL 12V 30Ah Deep Cycle Battery

Battery / Accu | LEOCH | LPCG12-30

Superior deep discharge tolerance is delivered by advanced GEL technology, preventing premature cell degradation and extending operational uptime. This 12V 30Ah battery provides dependable power for critical mobility and medical applications.

Features

- Experience extended operational uptime thanks to the 30Ah capacity, ensuring your equipment runs longer between charges.
- Designed for critical mobility and medical applications, providing dependable power for wheelchairs and life-support systems.
- Utilizing advanced GEL technology, this battery offers superior deep discharge tolerance and resilience against power demands.
- Built to stringent standards, the robust construction ensures safety and reliability in demanding operational environments.
