

VARTA Promotive SLI 12V 180Ah Starter Battery

Battery / Accu | VARTA | M18

1000A cold cranking power ensures reliable engine starts in adverse weather, minimizing delays for critical operations. This heavy-duty lead-acid battery delivers sustained high performance and extended service life for demanding commercial applications.

Features

- 1000A cold cranking power ensures reliable engine starts in adverse weather, minimizing delays for critical operations.
- Designed for heavy-duty trucks, buses, and construction vehicles, providing the robust power needed for demanding commercial applications.
- Advanced lead-acid technology delivers sustained high performance and extended service life under challenging operational conditions.
- Standard DIN terminal configuration ensures straightforward installation and compatibility with a wide range of heavy-duty vehicles.
