

# POWERBOOZT 12V 1kW Pure Sine Inverter

Inverter / Omvormer | POWERBOOZT | PB-RHINO-1000-12-L

Pure sine wave output prevents damage to sensitive electronics, delivering clean and stable power for devices like laptops and communication equipment. Engineered for mobile and off-grid use, this inverter provides essential AC power wherever you are.

## Features

- Delivers clean and stable power for sensitive electronics, preventing damage and ensuring optimal performance for devices like laptops and communication equipment.
- Engineered for mobile and off-grid use, including caravans, campers, automotive, and marine environments, providing essential AC power wherever you are.
- Pure sine wave technology ensures compatibility with a wide range of electronic devices, offering a higher quality power output than modified sine wave inverters.
- Compact and lightweight at 3kg, facilitating easy installation and integration into various vehicle and vessel power systems without adding excessive bulk.

CONTINUOUS POWER

**1.000 W**

NOMINAL OUTPUT VOLTAGE

**230 V**

WEIGHT

**3 kg**

## Technical Specifications

Input		Output	
Nominal Input Voltage	12 V DC	Nominal Output Voltage	230 V AC
<b>Power</b>		Waveform	PURE_SINE
Continuous Power	1.000 W	<b>Physical Specifications</b>	
		Length	330 mm
		Width	170 mm
		Height	76 mm
		Weight	3 kg

## Regulatory Compliance

Standards: EN 62109-1, EN 62109-2, EN 55011

Regulatory: CE

## Product Identification

Item Code: **PB-RHINO-1000-12-L**

EAN/Barcode: **8720165614004**

Manufacturer Code: **PB-RHINO-1000-12-L**
