

POWERBOOZT 24V 2kW Pure Sine Inverter

Inverter / Omvormer | POWERBOOZT | PB-RHINO-2000-24-L

Pure sine wave output safeguards sensitive electronics from voltage instability, preventing operational failure in critical equipment. This 2kW inverter integrates seamlessly into mobile and demanding environments for caravans, automotive, and marine applications.

Features

- Delivers 2kW of clean, stable 230V AC power with pure sine wave output, safeguarding sensitive electronics and ensuring operational reliability for critical equipment.
- Engineered for mobile and demanding environments, it serves as a dependable power source for caravans, campers, automotive, and marine applications.
- Utilizes pure sine wave technology to provide clean power, compatible with a wide range of electronics and appliances that require stable voltage and frequency.
- Designed for 24V DC systems, offering broad compatibility with common battery banks used in recreational vehicles, trucks, and marine vessels.

CONTINUOUS POWER

2.000 W

NOMINAL OUTPUT VOLTAGE

230 V

WEIGHT

5 kg

Technical Specifications

Input		Output	
Nominal Input Voltage	24 V DC	Nominal Output Voltage	230 V AC
Power		Waveform	PURE_SINE
Continuous Power	2.000 W	Physical Specifications	
		Length	442 mm
		Width	220 mm
		Height	92 mm
		Weight	5 kg

Regulatory Compliance

Standards: EN 62109-1, EN 62109-2, EN 55011

Regulatory: CE

Product Identification

Item Code: **PB-RHINO-2000-24-L**

EAN/Barcode: **8720165614264**

Manufacturer Code: **PB-RHINO-2000-24-L**
