

## POWERBOOZT 24V 300W Pure Sine Inverter

Inverter / Omvormer | POWERBOOZT | PB-RHINO-300-24

In mobile and off-grid power architectures where clean power is critical, pure sine wave output at 300W protects sensitive electronics from waveform distortion. This 24V inverter provides mains-equivalent power, ensuring operational continuity for valuable devices in caravans, automotive, and marine applications.

### Features

- Delivers 300W of pure sine wave power, ensuring safe operation for sensitive electronics and preventing damage from power fluctuations.
- Designed for demanding mobile and off-grid applications including caravans, automotive, marine, and camper setups.
- Utilizes pure sine wave technology to provide clean power equivalent to mains electricity, protecting your valuable devices.
- Compact and lightweight at 2kg, allowing for straightforward installation in space-constrained environments like vehicles and boats.

CONTINUOUS POWER

**300 W**

NOMINAL OUTPUT VOLTAGE

**230 V**

WEIGHT

**2 kg**

### Technical Specifications

Input		Output	
Nominal Input Voltage	24 V DC	Nominal Output Voltage	230 V AC
Power		Waveform	PURE_SINE
Continuous Power	300 W	Physical Specifications	
		Weight	2 kg

### Regulatory Compliance

Standards: EN 62109-1, EN 62109-2, EN 55011

Regulatory: CE

### Product Identification

Item Code: **PB-RHINO-300-24**

EAN/Barcode: **8719325860320**

Manufacturer Code: **PB-RHINO-300-24**
