

POWERBOOZT 12V 600W Pure Sine Inverter

Inverter / Omvormer | POWERBOOZT | PB-RHINO-600-12

In mobile and off-grid power architectures where grid access is unavailable, pure sine wave output protects sensitive electronics like laptops and navigation systems from waveform distortion. This 600W inverter integrates seamlessly into caravan, camper, automotive, and marine applications for stable AC power.

Features

- Delivers clean, stable AC power with its pure sine wave output, protecting sensitive electronics like laptops and navigation systems from damage.
- Engineered for mobile and outdoor power needs in caravans, campers, automotive, and marine applications.
- Utilizes pure sine wave technology to provide grid-quality power for sensitive equipment.
- Features a robust 600W output from a 12V DC input, suitable for a wide range of appliances and devices.

CONTINUOUS POWER

600 W

NOMINAL OUTPUT VOLTAGE

230 V

WEIGHT

2 kg

Technical Specifications

Input

Nominal Input Voltage **12 V DC**

Power

Continuous Power **600 W**

Output

Nominal Output Voltage **230 V AC**

Waveform **PURE_SINE**

Physical Specifications

Length **280 mm**

Width **168 mm**

Height **101 mm**

Weight **2 kg**

Regulatory Compliance

Standards: EN 62109-1, EN 62109-2, EN 55011

Regulatory: CE

Product Identification

Item Code: **PB-RHINO-600-12**

EAN/Barcode: **8720165614165**

Manufacturer Code: **PB-RHINO-600-12**
