

POWERBOOZT EFB 12V 240Ah Starter Battery

Battery / Accu | POWERBOOZT | PB.740.500

In demanding heavy-duty operational environments requiring immediate engine ignition, 1200A cold-cranking power ensures reliable starts under challenging conditions. EFB technology provides superior charge acceptance and cycling performance to sustain modern vehicle electrical systems.

Features

- Delivers 1200A cold-cranking power to ensure reliable starts in challenging conditions, keeping your heavy-duty vehicles operational.
- Engineered for the rigorous demands of heavy-duty trucks, buses, and agricultural machinery, providing dependable power where it matters most.
- Features EFB (Enhanced Flooded Battery) technology for superior charge acceptance and cycling performance, supporting modern vehicle electrical systems.
- Built to withstand extreme vibrations and harsh environments, offering enhanced durability and a longer service life in demanding commercial applications.
