

POWERBOOZT 12V 60Ah Semi-Traction Battery

Battery / Accu | POWERBOOZT | PB.955.EFB

Marine and leisure vehicle applications require enhanced charge acceptance for frequent power cycling. EFB technology delivers improved durability and charge acceptance for consistent onboard system power. This 60Ah battery sustains essential amenities throughout your journey.

Features

- The 60Ah capacity and 640A CCA ensure your marine craft or leisure vehicle starts reliably and powers essential amenities throughout your journey.
- Engineered specifically for marine, caravan, and camper applications, providing dependable power for onboard systems and equipment.
- EFB (Enhanced Flooded Battery) technology offers improved charge acceptance and durability for applications with frequent power cycling.
- Compact dimensions of 242x175x190mm and a weight of 16.1kg allow for straightforward installation in diverse vehicle and vessel battery spaces.

| NOMINAL VOLTAGE | RATED CAPACITY (C20) | COLD CRANKING AMPS (EN) | WEIGHT  | HOLD-DOWN TYPE |
|-----------------|----------------------|-------------------------|---------|----------------|
| 12 V            | 60 Ah                | 640 A                   | 16,1 kg | B13            |

Technical Specifications

| General Information     |                       | Electrical Specifications |            |
|-------------------------|-----------------------|---------------------------|------------|
| Technology              | Semi-Traction Battery | Nominal Voltage           | 12 V       |
| Chemistry               | Lead-Acid             | Rated Capacity (C20)      | 60 Ah      |
| Physical Specifications |                       | Cold Cranking Amps (EN)   | 640 A      |
| Length                  | 242 mm                | Layout                    |            |
| Width                   | 175 mm                | Terminal Type             | AUTOMOTIVE |
| Height                  | 190 mm                | Terminal Position         | +R         |
| Weight                  | 16,1 kg               | Hold-Down Type            | B13        |
| Case Type               | H5/L2                 |                           |            |
